Commercial Weed Control Services

1-888-268-8088 | info@earth-smart.ca

PERSONALIZED COMMERCIAL WEED CONTROL & TURFGRASS INNOVATIONS

Earth Smart Property Solutions is your turn-key solution for professional weed control, vegetation management, lawn fertilization, core aeration, mowing and general property management needs.

EXPERIENCE MATTERS

Earth Smart has spent a considerable amount of time developing and providing its clients with weed and vegetation control, turf fertilization and property management solutions tailored specifically for you, your site and your budget.

RESULTS DRIVEN

Our products, weed control programs, equipment and applicators are hands down the best in the industry. Customers keep coming back because "it's easy, environmentally friendly and it just plain works".

SAFETY CULTURE

Safety isn't just a job, it's a way of life. Everyone deserves the right to go home from work every day in good health. We are fully COR certified as well as members of Landscape Alberta. We employ licensed and trained professionals, have all applicable liability insurance and carry complete worker compensation protection.

COST EFFECTIVE

Property maintenance doesn't have to break the bank. Speak with one of our sales staff today to find out what we can do for you. Save up to 15% by combining services and having a personalized program designed for you.
