

# Commercial Services

Red Deer 587.802.0777 | Calgary 403.456.5800

**Earth Smart Property Solutions** has the equipment and expertise in dealing with property management companies, maintenance contractors, municipalities, realtors, land developers, individual commercial properties and condominium projects. Whether you have just one rental house, a large portfolio of apartments/condos, bare development land or parks and green spaces, we are the experts at control.

As a commercial client your site requirements are unique and we recognize that. From fertilizer and weed control applications to weekly mowing, our flexibility and attention to detail will take these concerns out of your hands and ensure the job is done right. We will customize your lawn care, vegetation application and tree services to meet your budget and landscape requirements. Since our start up in 1994, we have continually improved our programs and services to ensure we meet and exceed your specific needs.

Additionally, we are accredited with the Plant Health Care (PHC) code of practice and support the principles to maintain healthy landscapes and to prevent weed, insect and disease problems. To ensure quality control all of our employees receive extensive ongoing training in all aspects of lawn and property maintenance. We strongly focus on health, safety, quality control and positive customer relationships.

## Mission Statement

Earth Smart Property Solutions understands our success depends on providing quality service to our customers, employing long term well trained and happy employees and a commitment to the health of our planet. We actively research and promote natural products to assist in the reduced use of pesticides. We strive to create a workplace environment that is challenging, fulfilling and enjoyable for our employees so that they may provide the exemplary service and proven results our clients expect. Our goal is to create a long lasting mutually beneficial relationship with our clients, employees and contractors.
