

Partnership/Ownership Opportunity

Earth Smart Property Solutions (ESPS) is locally owned and has been serving clients throughout Alberta since 1994.

We are a single-stop home and property maintenance service provider, offering a variety of services to residential and commercial clientele. We are continuously in the process of exploring and adding new services to our line-up to complement our service offerings.

Our home and property maintenance services include lawn care (lawn fertilizer and weed control, aeration, overseeding, and more), tree and shrub services (fertilizer, pruning and trimming), snow removal, and more.

To accommodate our ongoing growth in Alberta, we are looking for a highly self-motivated and results-driven entrepreneur to run part of our operation in and/or around Calgary.

Job Description

Responsibilities will include all duties normally associated with running a business including but not limited to coordinating business operations, generating new business/sales, personnel management, monitoring and motivating staff, managing operational costs, ensuring good customer service, allocating budget resources, hiring and training employees, identifying business opportunities, and monitoring financial activities.
