With Canadian winters you can always count on one thing, snow!

As Albertans, we understand snow! Winter safety is a priority. Snow on your commercial property can be very unsafe, especially for clients, staff and the public, not to mention children, seniors, and those with disabilities. Clean sidewalks and walkways are vital to avoiding slips, trips and falls and can avoid costly tickets from the city.

Earth Smart Property Solutions' dedicated team of snow removal professionals will make sure that your commercial property including sidewalks, pathways, stairs and parking lots, are taken care of promptly, efficiently and with outstanding attention to detail.

Commercial sites we proudly service include:

Shopping centres, commercial buildings, retail stores, gas stations and more.
