BIRCH LEAF MINER TREATMENT

Do you have a tree that is being attacked by pests such as aphids, leaf miners or other insects?

We are able to supply a product to the base of the tree that will help control pests such as aphids, leaf miners and more.

These treatments are applied early in the spring and up to mid May.

We also offer the following tree care services: Tree & Shrub Deep Root Fertilization; Tree Pruning; and Hedge Trimming.

Please contact your local office to confirm that this service is available in your area and for a quote.
